Tulane University School of Public Health and Tropical Medicine

Department of Tropical Medicine

Fall Semester, 1998 (15 credit hours)

Graduate Diploma in Tropical Medicine and Traveler's Health (**DTM**), December 18, 1998

Course GPA: 4.0/4.0

Diploma Program Director: Richard A. Oberhelman, M.D., FAAP

Doctoral Research in Health Systems Management

Doctoral (**Dr.P.H.**) Candidate in Public Health, 1992-1995

Tulane University School of Public Health and Tropical Medicine

Department of Health Systems Management

Fields of Study: Outcomes Analysis, Cost-Effectiveness Analysis,

Total Quality Management, Continuous Quality Improvement,

Strategic Management, Health Policy, Allied Health Professions,

Bedside Decision Analysis, Medical Ethics, General Preventive Medicine and Public

Health, Occupational Medicine (General Preventive Medicine Residency Practicum,

January 1, 1995-December 31, 1995).

Doctoral GPA: 3.9/4.0

Dissertation: The Development of a Cost-Quality-Outcome Comparison Model of Acute Hospital and Subacute Non-Hospital Care of Ventilator-Dependent Elderly

Defense of Prospectus Accepted: 12/31/94

Defense of Dissertation Accepted: 5/31/95

Doctorate (**Dr.P.H.**) Conferred: 12/15/95

Administrative Residency in Preventive Medicine/Practicum Year Served 01/01/95-

12/31/95. Completed: 12/31/95

Health Policy and Public Health Administration

Tulane University

School of Public Health and Tropical Medicine

Administrative Resident, Medical Administration Service, Veterans Administration

Medical Center-New Orleans, Preceptor-Harry Pigman, M.D., MSPH, Deputy Chief

of Staff, January-October, 1995

Doctor of Public Health in Health Systems Management,

1990-1995, (Dr.P.H.) December 15, 1995

Master of Health Administration,

1989-1990, (M.H.A.) December 31, 1990

FEDERAL, STATE, AND LOCAL COMMITTEE/PANEL MEMBERSHIPS:

Chair, Advisory Panel for Grant Reviews, National Research Council of the National Academies, Transportation Research Board, Washington, D.C., 2009-
Member, Environmental Health and Safety Committee, LSU Health Sciences Center, New Orleans, 2009-
Member, Research Invigoration Strategy Committee, LSUHSC School of Public Health, 2009-
Member, Philanthropy Committee, LSUHSC School of Public Health, 2009-
Member, Administrative Support Advisory Committee, LSUHSC School of Public Health, 2009-
Member, Standing Appeals Committee, LSU Health Sciences Centers in New Orleans and Shreveport, LA, 2007-
Member, Student Health Committee, LSU Health Sciences Centers in New Orleans, 2007-
Member, Advisory Council on Environmental and Occupational Health, the Association of Schools of Public Health (ASPH), 2006-
Chair for Public Health, Academy Advisory Group, the LSUHSC Academy for the Advancement of Educational Scholarship, 2005-
Member, Chancellor's Research Council, LSU Health Sciences Center, 2004-
Member, Administrative Council, LSUHSC School of Public Health, 2004-

Curriculum Vita

James H. Diaz, M.D., Dr.P.H.

Page 17

Member, Appointment, Promotion, and Tenure Committee, LSUHSC School of Public Health, 2004-

Member, Emergency Management Committee, Medical Center of Louisiana-New Orleans, 2004-

Member, Emergency Management Committee, LSU Health Sciences Center-New Orleans, 2004-

Member, CDC Consultancy Panel, All-Hazards Public Health Emergency Response Guide, 2003-

Chair, Curriculum Committee, School of Graduate Studies, LSUHSC, 2002-2004

Co-Chair, Committee on Enduring Materials and Distance Learning, American College of Occupational and Environmental Medicine, 2001-2004

General Facilities Committee, LSU Health Sciences Center, 2000-2004

Technology Committee, LSU Alumni Center for Advanced Learning, 1999-2001

Committee on Local Arrangements, American Society of Anesthesiologists, 2000-2001

Curriculum Renewal Committee, LSU Health Sciences Center, 2000-2003

LSU Student Technology Fee Committee, 1999-2001

Written Examination Committee, Core Examination in Public Health and General Preventive Medicine, American Board of Preventive Medicine, 1998-

Public Health Committee, Orleans Parish Medical Society, 1999-2002

Curriculum Committee, LSU School of Graduate Studies, 1999-2004

Louisiana State Board of Medical Examiners, Advisory Committee on Pain, 1997-2000

ATSDR Environmental Investigation Task Force, the Grand Bois, LA Site, 1998-1999

Curriculum Committee, LSU School of Medicine, 1998-2001

Committee on Curriculum Renewal, LSU School of Medicine, 1998-2001

Committee on Curriculum Oversight, LSU School of Medicine, 1998-2000

ATSDR Environmental Investigation Task Force, the USDA/John F. Kennedy Senior High School Site, 1996-1997

Committee on Computer-Assisted Learning, LSU School of Medicine, Chair, 1998-2000

Planning Committee, American Occupational Health Conference, 1998-1999

Telecommunications Task Force, LSU Medical Center, 1996-1998

Continuing Medical Education Advisory Committee, LSU School of Medicine, 1996-1998

Telemedicine Operational Implementation Task Force, American Telemedicine Association, 1996-1998

Committee on Computer-Assisted Instruction/Learning, LSU School of Medicine, 1995-1997

Committee on Computer-Assisted Learning, LSU School of Medicine, 1998-

Committee on Scientific Exhibits, American Society of Anesthesiologists, 1988-1991

Committee on Newsletter, American Society of Anesthesiologists, 1988-1991

Organizing Committee, Aspen Anesthesia Update, 1986-1994

Governor's Advisory Committee on Respiratory Care, State of Louisiana, 1985-1990

Organizing Committee, Mardi Gras Anesthesia Update in New Orleans, 1983-1990

Executive Committee, Louisiana Society of Anesthesiologists, 1984-1994

Executive Committee, New Orleans Anesthesia Society, 1982-1994

Executive Committee, Section on Anesthesiology, American Academy of Pediatrics, 1984-1994

Staff Advisory Committee to the Board of Management, Ochsner Clinic, 1983-1986

Founding Committee, New Orleans Anesthesia Society, 1982-1992

Patient Care Evaluation Committee, Ochsner Clinic, 1981-1984

Curriculum Vita

James H. Diaz, M.D., Dr.P.H.

Page 18

Infections Committee, Ochsner Clinic, 1981-1984

ICU Committee, Ochsner Clinic, Chair, 1993-1995

ICU Committee, Ochsner Clinic, 1981-1992

PICU-NICU Committee, Ochsner Clinic, 1980-1982

113. Postanesthetic Management of Infant Outpatients. The Seventh Annual Seminar for Post Anesthesia Personnel. The Association of Post Anesthesia Nurses. New Orleans, Louisiana, June 2, 1990.
114. Perioperative Management of Patients with Liver Disease. The Hattiesburg Anesthesia Society Fall Dinner Meeting. Hattiesburg, Mississippi, September 13, 1990.
115. Prolonged Postoperative Analgesia with Lumbar Epidural Morphine in Children Undergoing Thoracic and Upper Abdominal Surgery. With RW DeConti. 1991 Annual Meeting, Section on Anesthesiology, American Academy of Pediatrics, San Diego, California, March 16, 1991.
116. Perioperative Management of Children with Congenital Heart Disease Undergoing Noncardiac Surgery. Visiting Lecturer, Hattiesburg Anesthesia Society, Hattiesburg, Mississippi, April 24, 1991.
117. Evaluation and Management of Congenital and Acquired Coagulopathies during Cardiac Surgery. Mechanisms of Perfusion-VI, Lake Buena Vista, Florida, May 4, 1991.
118. Perioperative Management of Common Neonatal Emergencies
119. Perioperative Management of Uncommon Neonatal Emergencies
120. Perioperative Management of the Difficult Neonatal Upper Airway
121. The Preexisting Upper Respiratory Infection: A Cause for Hypoxia
- 117-121. the Institute for Post-Graduate Education, Anesthesia and the Pediatric Patient, Las Vegas, Nevada, May 23-26, 1991.
122. Anesthesia for Hepatic Transplantation. Workshop on Multiorgan Transplantation. The Association of Surgical Technologists, Inc., New Orleans, Louisiana, June 25, 1991.
123. New Techniques of Perioperative Sedation and Preinduction in Infants and Children
124. Regional Anesthesia in Infants and Children
125. Perioperative Management of Orthotopic Heart Transplantation in Adults
126. Anesthetizing Children with Congenital Heart Disease for Non-Cardiac Surgery
- 123-126. The Fifth Annual Aspen Anesthesia Update: Medical Consultations in Anesthesiology, Aspen, Colorado, August 12-16, 1991.
127. Conscious Sedation Techniques for Infants and Children

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

Page 50

128. Federal Reimbursement Policies for Anesthesia Practitioners
129. Anesthetizing Children with Congenital Heart Disease for Non-cardiac Surgery
130. Current Federal Health Policy and Its Impact on Future Rural Anesthesia Care
- 127-130. Rural Anesthesia Practice VI, The Iowa Association of Nurse Anesthetists, Lake Okoboji, Iowa, September 20-22, 1991.
131. Pediatric Anesthesiology Update: Perioperative Pediatrics. Seminar Moderator and Panelist. Annual Fall Meeting, American Academy of Pediatrics, New Orleans, Louisiana, October 26, 1991.
132. The Preoperative URI: To Operate or Not to Operate. Annual Fall Meeting, American Academy of Pediatrics, New Orleans, Louisiana, October 26, 1991.
133. Conscious Sedation Techniques for Pediatricians. Annual Fall Meeting, American Academy of Pediatrics, New Orleans, Louisiana, October 28, 1991.
134. Techniques of Conscious Sedation in Infants and Children. Visiting Professor, Department of Anesthesiology, University of Arkansas for Medical Sciences, Little Rock, Arkansas, February 28, 1992.
135. The Teratogenicity of Anesthetics. Visiting Professor, Veterans Administration Hospital, University of Arkansas for Medical Sciences, Little Rock, Arkansas, February 28, 1992.
136. Techniques of Conscious Sedation and Preinduction in Infants and Children. Visiting Professor, Annual Meeting of the Arkansas Society of Anesthesiologists, Little Rock, Arkansas, February 29, 1992.
137. Regional Anesthetics for Infants and Children. Visiting Professor, Annual Meeting of the Arkansas Society of Anesthesiologists, Little Rock, Arkansas, February 29, 1992.
138. Awareness During Anesthesia. Visiting Professor, Department of Anesthesiology, University of Texas M.D. Anderson Cancer Center, Houston, Texas, March 6, 1992.
139. Intraoperative Awareness. Guest Lecturer, Enid Anesthesia Society, Enid, Oklahoma, March 9, 1992.
140. Awareness and Recall During Anesthesia. Harris County Anesthesia Society, Continuing Education Program, Fort Worth, Texas, March 26, 1992.
141. Regional Nerve Blocks with Local Anesthetics and Spinal Opiates for Postoperative Pain Management in Infants and Children. 1993 Update in Pain Management Sponsored by the University of Louisville School of Medicine. New Orleans, Louisiana, April 23, 1993.

Curriculum Vita (Presentations)

142. The Teratogenicity of Anesthetics
143. Regional Anesthesia for Infants and Children
144. New Techniques of Preoperative Sedation and Preinduction in Infants and Children
145. Awareness During Anesthesia
- 142-145. 1993 Medical Consultations in Anesthesiology, Institute for Postgraduate Education, Aspen, Colorado, June 7-11, 1993.
146. Perioperative Aspiration Prophylaxis, Lower Alabama Continuing Education Seminar, Gulf Shores, Alabama, June 25, 1993.
147. Combining Regional with General Anesthetics for Postoperative Pain Relief in Infants and Children - Why Bother with a Block When the Patient is Asleep?
148. New Techniques in Preoperative Sedation and Preinduction in Infants and Children - Save the Shots for the Parents!
- 147-148. 1993 Fall Meeting of the Minnesota Society of Anesthesiologists, Minneapolis, Minnesota, October 30, 1993.
149. Neonatal Emergencies
150. Caution: Winter Sports May Be Hazardous to Your Health
151. Pediatric Regional Anesthesia
152. Pediatric Premedication and Preinduction Techniques
- 149-152. 1994 Medical Consultations in Anesthesiology, Institute for Postgraduate Education, Aspen, Colorado, February 13-17, 1994.
152. Potential Impact of the Clinton Health Reform Plan on Medical Practice in Louisiana. East Jefferson League of Women Voters, Metairie, LA, March 28, 1994.
153. Perioperative Management of Children with Mucopolysaccharidoses. Grand Rounds, Albany Medical College, Albany, New York, May 19, 1994.
154. A Cost-Quality-Outcome Comparison of Acute Hospital and Subacute Non-Hospital Care of Ventilator-Dependent Elderly Patients. 1995 Annual Meeting of the American Association for Advances in Health Care Research, Jackson Hole, Wyoming, March 11, 1995.

Curriculum Vita (Presentations)

168. Left-Handed Tenosynovitis and Carpal Tunnel Syndrome in Nurse Anesthetists: Sentinel Clusters in a High-Risk Population, 1998 American Occupational Health Conference, Boston, Massachusetts, April, 30, 1998.
169. The Diagnosis and Management of Occupationally-Related Chronic Pain Syndromes, 1998 Four-State Occupational Health Nurses Convention, Louisiana-Texas-Arkansas-Mississippi Associations of Occupational Health Nurses, New Orleans, Louisiana, August 1, 1998.
170. Left-Handed Carpal Tunnel Syndrome in Nurse Anesthetists, 1998 State of the Art Conference, American College of Occupational and Environmental Medicine, Phoenix, Arizona, October 20, 1998.
171. Perioperative Management of Children with Linear Nevus Sebaceous Syndrome and Other Phakomatoses, 1998 Annual Scientific Assembly, Southern Medical Association, New Orleans, Louisiana, November 21, 1998.
172. Colon Cancer in Methylmethacrylate –Exposed Orthopedic Surgeons-An Historical Cohort Comparison with General Surgeons in the Same Group Practice, 1998 Annual Scientific Assembly, Southern Medical Association, New Orleans, Louisiana, November 22, 1998.
173. Left-Handed DeQuervain’s Tenosynovitis in Nurse Anesthetists-A Sentinel Cluster in a High-Risk Occupation?, 1998 Annual Scientific Assembly, Southern Medical Association, New Orleans, Louisiana, November 22, 1998.
174. Left-Handed Carpal Tunnel Syndrome in Nurse Anesthetists-A Sentinel Cluster in a High-Risk Occupation?, 1998 Annual Assembly of the Southern Medical Association, New Orleans, Louisiana, November 22, 1998.
175. Interventional Injection Therapies in Myofascial Pain Syndromes. Half-Day Seminar Director, 1999 Postgraduate Seminar. The 1999 American Occupational Health Conference, American College of Occupational and Environmental Medicine, American Association of Occupational Health Nurses, New Orleans, Louisiana, April. 26, 1999.
176. Interventional Pain Management in Myofascial Pain Syndromes. The 1999 American Occupational Health Conference (AOHC), New Orleans, Louisiana, April 26, 1999.
177. Pediatric Pain Management. New Orleans Metropolitan Area Pain Management Course. East Jefferson General Hospital, Metairie, Louisiana, May 5, 1999.
178. Regional Neuropathic Pain Syndromes. The 1999 American College of Occupational and Environmental Medicine State-of-the-Art Conference, San Antonio, Texas, October 18, 1999.

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

179. Complex Combined Pain Syndromes. The 1999 American College of Occupational and Environmental Medicine State-of-the-Art Conference, San Antonio, Texas, October 18, 1999.
180. Web-Based Teaching/Testing of Environmental Health. Prevention 2000, The 17th Annual National Preventive Medicine Meeting, Association of Teachers of Preventive Medicine, American College of Preventive Medicine, Atlanta, Georgia, March 25, 2000.
181. Moderator, Seminar #1201 – Interventional Management of Common Occupational Pain Syndromes: Office Techniques that Work (at Work), The American Occupational Health Conference 2000, Philadelphia, Pennsylvania, May 16, 2000.
182. Interventional Injection Therapies for Common Myofascial Pain Syndromes, The American Occupational Health Conference 2000, Philadelphia, Pennsylvania, May 16, 2000.
183. Spinal Injections for Low Back Pain, The American Occupational Health Conference 2000, Philadelphia, Pennsylvania, May 16, 2000.
184. Environmental Change and Emerging vs. Re-emerging Infectious Diseases. 2001 State-of-the Art Conference, American College of Occupational and Environmental Medicine, Seattle, Washington, November 1, 2001.
185. Prevention, Control, and Treatment of Emerging Infectious Diseases. 2001 State-of-the Art Conference, American College of Occupational and Environmental Medicine, Seattle, Washington, November 1, 2001.
186. Pain Physiology and Mechanism: Theory of Pain, Transmission of Pain, and Definition of Various Pain Types. Modern Pain Management: A Role Being Defined, LSU School of Medicine, New Orleans, and the Institute of Professional Education, LSUHSC, New Orleans, Louisiana, December 1, 2001.
187. Vector Borne Emerging Infectious Diseases. The Work Environment Millennium Series. The 2002 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Chicago, Illinois, April 14, 2002.
188. Waterborne Emerging Infectious Diseases. Environmental Medicine Millennium Series. The 2002 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Chicago, Illinois, April 15, 2002.
189. Limiting Workplace Exposures to Terrorism: Practical Prevention by Personnel Protection. The 2002 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Chicago, Illinois, April 16, 2002.

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

190. eSelling OEM: Web-Based Teaching/testing of Environmental Health and Medicine. The 2002 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Chicago, Illinois, April 16, 2002.
191. The Impact of Hurricanes and Tropical Storms on Waterborne Disease Outbreaks. Annual Meeting of the Advisory Board to the Center for the Study of the Public Health Impact of Hurricanes and Major Flooding Events, the LSU Hurricane Center, Pennington Biomedical Research Center, Baton Rouge, Louisiana, August 14, 2002.
192. The Public Health Impact of Global Climate Change. Potential Impacts of Climate Change in the Gulf Coast Region: A Public Workshop Sponsored by the USEPA, Loyola University, and Tulane University Law School, New Orleans, Louisiana, February 7, 2003.
193. Toxic Mold: Climate Change, Fungal Spores, Mycotoxins, and Indoor Air Pollution. The André Trevigne Radio Talk Show, WWL-870 CBS Radio, New Orleans, Louisiana, March 6, 2003.
194. The Prevention and Management of Food-borne Toxic Poisonings and Infectious Diseases, 2003 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Atlanta, Georgia, May 4, 2003.
195. The Prevention and Management of Seafood-borne Toxic Poisonings and Infectious Diseases, 2003 American College of Occupational and Environmental Medicine-American Occupational Health Conference, Atlanta, Georgia, May 4, 2003.
196. Wilderness Hazards for Mountain Hikers, Part I: Flash Flooding, Lightening, Hypothermia, and Other Environmental Threats; Southern Mountains Health Radio Talk Show, WWNC-540 Radio, Asheville, North Carolina, July 5, 2003.
197. Toxic Mold II: Mycotoxins, Indoor Air Pollution, and Home Remediation, The André Trevigne Radio Talk Show, WWL-870 CBS Radio, New Orleans, Louisiana, August 14, 2003.
198. Wilderness Hazards for Mountain Hikers, Part II: Arthropod and Reptile Envenomations, Southern Mountains Health Radio Talk Show, WWNC-540 Radio, Asheville, North Carolina, August 30, 2003.
199. The Public Health Impact of Hurricanes and Major Flooding Events: What we know? What to expect? What to do? Annual Meeting of the Advisory Board to the Center for the Study of the Public Health Impact of Hurricanes and Major Flooding Events, the LSU Hurricane Center, Lod Cook LSU Alumni Conference Center, Baton Rouge, Louisiana, September 15, 2003.
200. The Effects of Global Climate Change on US Hurricane and Tropical Storm Activity and Their Public Health Outcomes. Invited Guest Lecturer, the Division of Emergency

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

Operations, Centers for Disease Control and Prevention, US Department of Health and Human Services, Atlanta, Georgia, May 27, 2004.

201. A Coming Plague? The Evolving Epidemiology and Public Health Outcomes of Emerging and Re-Emerging Zoonotic Infectious Diseases. A Day-Long Seminar Sponsored by the US Department of Education Fund for the Improvement of Post-Secondary Education (FIPSE) Grant, LSU School of Veterinary Medicine, Baton Rouge, LA, August 2, 2005.
202. Human Hemlock Poisoning Following Consumption of Cooked Fish, Crayfish, and Fowl. Toxicology Seminar. LSU School of Veterinary Medicine, Baton Rouge, LA, December 1, 2005.
203. The Toxicity of Cancer Chemotherapeutic Agents. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 15, 2006.
204. Food Poisonings. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 17, 2006.
205. Seafood Poisonings. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 17, 2006.
206. Terrestrial Envenomings. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 17, 2006.
207. Marine Envenomings. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 17, 2006.
208. Mycotoxins. American College of Medical Toxicology. The Medical Toxicology Board Review Course, Dallas, Texas, September 17, 2006.
209. A Global Network of Information Systems and the Prediction, Prevention, and Control of Arthropod-Borne Zoonotic Disease Outbreaks, Morning Symposium, 2006 and 55th Annual Meeting of the American Society of Tropical Medicine and Hygiene, Atlanta, Georgia, November 16, 2006.
210. Basic Curriculum in Occupational Neurotoxicology. 2007 American College of Occupational and Environmental Medicine-American Occupational Health Conference, New Orleans, LA, May 5, 2007.
211. The Epidemiology, Evaluation, Management, and Prevention of Food, Water, and Arthropod-Borne Diseases of Travelers. 2007 American College of Occupational and Environmental Medicine-American Occupational Health Conference, New Orleans, LA, May 6, 2007.

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

Page 57

212. Case Studies in Travel Medicine. 2007 American College of Occupational and Environmental Medicine-American Occupational Health Conference, New Orleans, LA, May 6, 2007.
213. Occupational Neurotoxicology. 2007 Annual Meeting of the Mid-South Occupational and Environmental Medicine Association, Baton Rouge, LA, September 22, 2007.
214. The Influence of Global Warming on Natural Disasters and their Public Health Outcomes. The Honors 2000 Class Lecture on Human Responses to Disasters and Their Aftermath. LSU A&M University College of Arts and Sciences, Honors Program, Baton Rouge, LA, October 9, 2007.
215. Hoodoo, Voodoo, and Cajun Traditions: A Trans-America View. Annual Pre-Meeting Symposium of the North American Congress of Clinical Toxicology, New Orleans, LA, October 19, 2007.
216. Basics of Travel Risks in Occupational Medicine. 2008 Annual Meeting of the Central States Occupational Medicine Association, Lisle, Illinois, March 13, 2008.
217. Occupational Neurotoxins. 2008 Annual Meeting of the Central States Occupational Medicine Association, Lisle, Illinois, March 13, 2008.
218. Panelist and Presenter, Careers for Chemists in Public Health, Undergraduate Program, 2008 Annual Meeting of the American Chemical Society, New Orleans, LA, April 6, 2008.
219. Immunization Update. The 35th Family Medicine Update, Department of Family Medicine, LSU Health Sciences Center, New Orleans, LA, April 28, 2008.
220. Bites and Stings. The 35th Family Medicine Update, Department of Family Medicine, LSU Health Sciences Center, New Orleans, LA, April 28, 2008.
221. The Pathophysiology of Bites and Stings by Venomous Marine and Terrestrial Animals. Guest Lecture on Physiology at the Extremes. Department of Physiology, LSU Health Sciences Center, New Orleans, LA, June 2, 2008.
222. The Toxicity of Chemotherapeutic Drugs and Diagnostic and Therapeutic Radionuclides. 2008 American College of Medical Toxicology Board Certification Examination Review Course, Cincinnati, Ohio, October 11, 2008.
223. Poisonings by Natural Products and Toxic Envenomations. 2008 American College of Medical Toxicology Board Certification Examination Review Course, Cincinnati, Ohio, October 13, 2008.

Curriculum Vita (Presentations)

James H. Diaz, M.D, Dr.P.H.

224. Global Climate Changes, Natural Disasters, and Travel Health Risks. Symposium on the Public Health Outcomes of Natural Disasters. 2008 Annual Meeting of the American Society of Tropical Medicine and Hygiene, New Orleans, Louisiana, December 8, 2008.
225. Co-Chair and Co-Moderator, Symposium on the Public Health Outcomes of Natural Disasters. 2008 Annual Meeting of the American Society of Tropical Medicine and Hygiene, New Orleans, Louisiana, December 8, 2008.
226. Transmission Patterns of Mosquito-Borne Infectious Diseases During Air Travel: Passengers, Pathogens, and Public Health Implications. Research on the Transmission of disease in Airports and on Aircraft: A Symposium. Sponsored by the Transportation Research Board of the National Academies, Washington, DC, September 18, 2009.
227. Proportionate Cancer Mortality in Methylmethacrylate-Exposed Healthcare Workers. 2009 CDC/ATSDR National Environmental Public Health Conference, Atlanta, Georgia, October 28, 2009.
228. Emerging vs. Re-Emerging Zoonotic Infectious Diseases: A Coming Plague? The Grass Roots Garden Club, New Orleans, Louisiana, November 5, 2009.
229. Independent Medical Evaluations of Occupational Diseases and Injuries: An Overview for Practitioners. Visiting Professor, LSU HCSD Lallie Kemp Public Hospital, Independence, Louisiana, November 12, 2009.
230. Is Haff Disease Hemlock Poisoning? Human Hemlock Poisoning Following Consumption of Cooked Fish, Crayfish, and Wildfowl. Invited Guest Lecture, LSU School of the Coast and Environment, Baton Rouge, Louisiana, March 19, 2010.
231. Impact of the Mississippi Canyon Oil Spill—Louisiana, 2010, on Public Health and the Underserved. The Stanly S. Scott Cancer Center Invited Guest Lecture, New Orleans, Louisiana, July 16, 2010.
232. Deepwater Horizon Oil Spill PI Conference: Crude Oil and Dispersants-Impact on Human Health and Socioeconomic Systems. NIH-NIEHS PI Conference (by invitation only) on the Deepwater Horizon Oil Spill hosted by Florida State University, St. Petersburg, Florida, October 5, 2010.
233. A Comparative Meta-analysis of Tick Paralysis in North America and Australia: Epidemiology, Clinical and Electrodiagnostic Manifestations, and Outcomes. 21010 Annual meeting of the American Society of Tropical Medicine and Hygiene, Atlanta, Georgia, November 5, 2010.
234. Poisonous Plants in the Garden and Household. The Grass Roots Garden Club, New Orleans, Louisiana, March 3, 2010.
