publichealthmeritbadge@lsuhsc.edu

****All requirements will be completed except #5**

Volunteers Needed
Contact: Amber Brown
abro49@lsuhsc.edu

LSU Health
NEW ORLEANS
School of Public Health

Eligible for
Service Cord Hours

HAZWOPER course

This course is specifically designed for workers who work with hazardous chemicals; and are involved in clean-up operations, emergency response operations, and storage, disposal, or treatment of hazardous substances or uncontrolled hazardous waste sites. The course will be taken at Dillard University with a \$75 fee. Please contact Dr. Adrienne Katner at akatn1@lsuhsc.edu if you are interested.

The Rape Aggression Defense System

The Rape Aggression Defense System is a program of realistic self-defense tactics and techniques for women. The R.A.D. System is a comprehensive, women-only course that begins with awareness, prevention, risk reduction and risk avoidance, while progressing on to the basics of hands-on defense training. R.A.D. is not a martial arts program. Courses are taught by nationally certified R.A.D. Instructors and provide each student with a workbook/reference manual. This manual outlines the entire Physical Defense Program for reference and continuous personal growth.

Poll: Which females are interested in taking a free R.A.D. course???

Amy Hendrix approved

Students for Sustainability

Recycling bins coming to SPH Spring 2018!

Please fill out the survey that was sent out this morning.

Social Events

Tchoup Yard Social

Wear your “ugly” Christmas sweater and come hang out at Tchoup Yard to celebrate the end of the fall semester. De-stress from finals with a drink or some delicious food truck treats. We will also have our 50/50 fundraiser that night, so get excited and you might even win some money. Open to anyone and everyone!

When: Thursday, December 7th @ 6:00 PM

Where: The Tchoup Yard - 405 Third St, New Orleans, LA 70130

Football Tickets!

And the winners are...

The background of the entire image is a dense, close-up photograph of autumn leaves. The leaves are primarily maple leaves, showing a variety of colors including bright yellow, orange, and deep red. Some leaves are fully open, while others are partially obscured or overlapping. The lighting is soft, highlighting the textures and veins of the leaves.

Fall Giveaway!

The winner is...

Zaida Salame

The number of candy in the jar was 158.

Good luck with Finals!

Spring 2018 <u>Room:</u> LEC 303 <u>Time:</u> 12:00-1:00pm	January	01.22.18
	February	02.26.18
	March	03.19.18
	April	04.23.18
