## Service Honor Cord

<https://is.gd/servicehonor>

- **Submission Deadline: April 25<sup>th</sup>**
- Service hours are hours spent working collaboratively with and through groups of people affiliated with local nonprofit, independent, and community-based organizations focused on improving the quality of life for community residents. Specifically for public health faculty, staff, and students, in line with the School of Public Health's mission, service hours focus on advancing the public's health and addressing issues affecting the well-being of the state of Louisiana.
- *Practice Experience, IPSA, SOAR, student worker, and paid service hours are not eligible for community service hours.*

## Staff Member of the Year Award

<https://is.gd/BethSchmidtStaffAward>

- **Submission Deadline: April 26<sup>th</sup>**
- The Beth Schmidt Staff Member of the Year Program is intended to be a formal method for acknowledging the contributions of individuals who are recognized by their colleagues as outstanding staff members.
- Nominations may be submitted by any employee in the School of Public Health, including staff, administrators, and faculty. Nominations must be submitted electronically via letters of support through REDCap. Nominations can be submitted at any time during the year. Nominations for the award are due the last Friday in April.
