NEW ORLEANS
Louisiana Tumor Registry

Smoking greatly increases bladder cancer risk. If you currently smoke, consider quitting.¹

LOUISIANA TUMOR REGISTRY

OUR MISSION

OUR VISION

ANNUAL REPORTS

One of 22 NCI-designated SEER cancer registries that gather information about cancer cases to help guide policies for cancer prevention, early detection, diagnosis, treatment, prognosis and survivorship.

To collect and report complete, high-quality, and timely population-based cancer data in Louisiana to support cancer research, control, and prevention.

To reduce suffering and death from cancer using information collected by the Louisiana Tumor Registry.
