<sup>^</sup> Due to the delayed release of the V24 data set by software vendors in the state, an **additional two month grace period** will be extended to ALL our state reporters for transmission of their 2024 cases to the LTR. **All accessioned January & February 2024 cases are to be transmitted to the LTR on or before October 31<sup>th</sup>. Accessioned March & April 2024 cases are to be transmitted on or before November 29<sup>th</sup>.**

All healthcare facilities\* are to submit their cases in accordance with the LTR's Timely Data Reporting Policy. **The submission dates shown above include a one-month grace period. Timely reporting dictates admitted cases shall be reported to the LTR no later than the END of each reporting month.**

\*Healthcare facilities without a cancer registry whose medical records cannot be remotely accessed by the Louisiana Tumor Registry shall be exempt from this policy due to state travel restrictions and related expenses.

Please notify your regional director/coordinator **immediately** should any submission issues arise. In accordance with the aforementioned policy, failure to meet this submission schedule will be *handled on a case-by-case basis* by your regional director/coordinator and *may result* in a \$45 per case abstraction fee or the actual cost of screening, abstracting, coding, and editing, whichever is greater levied by the LTR in agreement with the LTR's Legislative Rule (LAC 48:V. Chapter 85).
