NEWS

- **There are updates and new funding opportunities:** [Grant-Opportunities 07 07 2025.pdf \(lsuhsc.edu\)](#).
- Louisiana researchers are taking part in a nationwide study exploring how DNA influences individual responses to diet. [Details](#).
- [SPIN](#) is an excellent **funding opportunity database** that helps researchers easily find grants from federal, foundation, and international sources. To help you get started, we've created an [instructional video](#) that you can watch. Additionally, the SPIN website offers [training videos](#).
- The LSUHSC Libraries have many resources to support authors with their writing. Here are a few links to get you started:
 1. **eBooks & Websites** – including the ones Rachel Walden shared during her presentations: [Writing Resources](#).
 2. **Citation Managers** – Essential for organizing your research and references: [Citation Management Software](#).
 3. **Systematic Reviews** – We have a Microsoft Form you can fill out to start the process of getting assistance with your project: [Systematic Reviews Resource Guide](#) and here's the [Form](#).
- READ (Research, Evaluation, Analysis, and Design) Center at the LSU School of Public Health (SPH) brings together all SPH faculty, staff, and students to offer comprehensive services supporting research

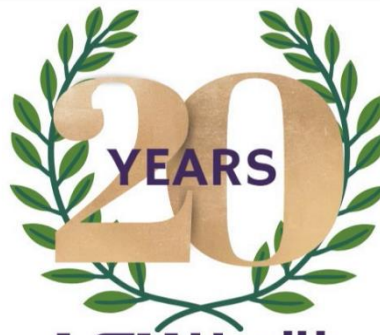

and community health initiatives in Population Health. For more details, please visit our [website](#).

Workshops, Webinars, and Short Courses:

- **Sharpen Your Grantsmanship with July TIERS & TIERS+ Sessions** | Join us **Friday, July 11th** for “[What To Expect During a Study Section Review](#)” ([register](#)) with Dr. Lisa Jackson, and come back **July 25th** for a bonus TIERS+ session, “[How To Respond To A Study Section Resubmission](#)” ([register](#)) with Dr. Mark Gillespie.
