

LSU Health

NEW ORLEANS

School of Public Health

May 5, 2025

Hope you had a great holiday!

NEWS

- **There are updates and new funding opportunities:** [Grant-Opportunities 05 05 2025.pdf \(lsuhsc.edu\)](#).
- NIH to update policies and practices guiding subawards: The NIH announced it will no longer allow new subawards to foreign organizations and will implement a new funding structure by September 30, 2025, to enhance oversight and transparency in research collaborations. [Learn More](#).
- The LSUHSC Libraries have many resources to support authors with their writing. Here are a few links to get you started:
 1. **eBooks & Websites** – including the ones Rachel Walden shared during her presentations: [Writing Resources](#).
 2. **Citation Managers** – Essential for organizing your research and references: [Citation Management Software](#).
 3. **Systematic Reviews** – We have a Microsoft Form you can fill out to start the process of getting assistance with your project: [Systematic Reviews Resource Guide](#) and here's the [Form](#).
- If you lose access to federal datasets for your research or training, Harvard University has made an effort to save the federal public datasets: [Announcing the Data.gov Archive | Library Innovation](#)

[Lab](#). You can access the datasets via direct links or download them programmatically using tools like Python or Google Colab.

- **READ** (Research, Evaluation, Analysis, and Design) Center at the LSU School of Public Health (SPH) brings together all SPH faculty, staff, and students to offer comprehensive services supporting research and community health initiatives in Population Health. For more details, please visit our [website](#).

Workshops, Webinars, and Short Courses:

- Delta Omega's 2025 Professional Development Webinar Series. In 2025, Delta Omega will be hosting a monthly series of webinars for graduating students and early career professionals. The webinar series is open to anyone interested in participating. [More](#).
