NEWS and Events

- **Research Interest Group** (Previous Funding Opportunities) will be posted on the [ROPH website](#) weekly. Members who sign up for one or more Interest Groups will also receive updates on **Microsoft Teams Channel**. If you haven't signed up for the Research Interest Group yet, or if you would like to join additional groups, please contact RoPH at phresearch@lsuhsc.edu
- The RoPH has created a [Grant Application Procedure](#) to help PIs better follow the grant submission process and internal deadlines.
 - Please complete the [Grant Application Form](#) to notify RoPH of upcoming submission and help facilitate timely support and review.
 - We welcome any feedback or suggestions that may help us continue improving the grant submission process and better support our investigators.
- **Funding Opportunity:** LSU Health New Orleans, in partnership with the CCTS and the LSU LCMC Health Cancer Center—is now accepting applications for the **CAPPAL Grant Program**.
 - Award Amount: Up to \$20,000
 - Generate preliminary data, strengthen community-academic partnerships, and position teams for future external funding.
 - Focus Areas: Research focused on cancer, heart disease, diabetes, obesity, and other structural determinants that influence cancer risk and outcomes.

- Submission Deadline: **June 4, 2026**
- ~~INFO SESSION: May 7, 2026 @ 3 PM. Register [HERE](#).~~
- **Funding Opportunity: CCTS Clinical & Translational Science Research Program** | The CCTS Partner Network is accepting proposals for high-impact projects that tackle barriers in clinical and translational science.
 - This funding opportunity supports innovative, generalizable solutions – like improving integration of diagnostics, tools, and interventions into real-world practice.
 - Investigators may request up to \$200,000/year for two years.
 - [Pre-applications](#) due **August 3, 2026**
- **Proposal Writing-related seminar at LSUHSC: [Research Café](#)**
 - **June 9, 12-1 PM** – Basics of Submitting Extramural Career Development Awards
 - **July 14, 12-1 PM** – Preparing Ancillary Documents (RCR, Biohazards, Authentication of Key Resources)
-  **Coffee for Collaboration Series** | Please reserve time to join upcoming Coffee for Collaboration sessions, hosted by various research interest groups:
 - **August 28, 2026, 9-10 AM: Addiction**
- The LSUHSC SPH Research Office has many resources to support authors with their writing, please visit the [Resources website](#) for more information.
- READ (Research, Evaluation, Analysis, and Design) Center at the LSU School of Public Health (SPH) brings together all SPH faculty, staff, and students to offer comprehensive services supporting research and community health initiatives in Population Health. For more details, please visit our [website](#).

Workshops, Webinars, and Short Courses:

- **ORCID Made Easy: Library Support for Your Research Profile** | LSU Health Libraries is offering a ORCID workshop and Zoom office hours to assist with your ORCID ID.
 - ORCID Made Easy Workshop | **Wednesday, May 20, 12 PM** | [Registration](#) is required.
 - ORCID Office Hours | **Wednesday, May 27, 12-2 PM** | Ische Library Computer Classroom – RCB Room 405 or via [Zoom](#).

- **2026 Moerschbaecher Academic Forum** | This is a collaboration between the Department of Orthopaedic Surgery and the Faculty Development Committee, will feature guest speakers Dr. Joshua Patt from Wake Forest University School of Medicine. He will lead two workshops on **May 29 from 2 – 4:30 PM** to help you build your skills for lifelong professional success. [RSVP](#) by May 25. [Details](#).
 - Session 1: Mentoring and Coaching: Practical Solutions for Career Advancement and Fulfillment | 2-3:15 PM
 - Session 2: Professional Identity Development Plan: A Roadmap for Any Stage of Your Career | 3:30-4:30 PM

- **Research Seminar Series: AI You Can Use Today** | Explore AI tools in action and learning how UAB is approaching AI support for research and clinical operations. **May 21, 12-1 PM** via Zoom. [Register](#).
 - Access to the tools being demonstrated is limited to UAB faculty and staff, but all are welcome to see the tools in action.

- **[NCI Workshop on Emerging Technologies in Cancer Epidemiology \(Virtual\)](#)** | The aim of this virtual workshop is to evaluate the current status of emerging molecular technologies/approaches/models and their feasibility for implementation in large-scale population studies. [Register](#).
 - Date: **June 1, 2026, 9:00 AM – 3:00 PM**.

- **RISE Leadership Development** | Develop leadership and management skills for collaborative clinical research through this immersive, 10-week training program for experienced research staff professionals. [Details](#).
 - Topics include team leadership, conflict management, communication, and building effective research communities.
 - Sessions occur **Mondays, Sept. 14 – Nov. 16, 1 –3 PM**.
 - Virtual participation options are available.
 - **Apply by July 15.**

- **2026 Sparkman Summer Institute** | The UAB Sparkman Center for Global Health will host a one-week intensive workshop focused on implementation research in global health settings. [Details](#).
 - Designed for global public health academics, researchers, practitioners, policymakers, and advanced students with relevant experience.
 - The program includes expert-led lectures, real-world case examples, and problem-solving clinics to help participants apply implementation research methods to their own projects.
 - Date: **June 25-30**
 - Location: **UAB**
 - ~~Register by May 15, 2026~~
- **Translational Research Summer Series Begins June 10** | Build foundational skills in translational research through this eight-week virtual series covering topics such as study design, epidemiology, clinical trials, team science, and AI in biomedical research. [Details](#). [Register](#).
 - Sessions are held **Wednesdays, 3:30-4:30 PM**, from **June 10 – July 29** via Zoom
- **2026 LCRC Cancer Research Symposium** taking place on **Thursday, May 21** at **Xavier University** of Louisiana | Registration and Call for Abstracts is now open. [Register here](#).
 - This year's symposium will highlight the power of collaboration across LCRC partner institutions, organized around four cross-cutting research themes:
 - Obesity and Metabolism
 - Environmental Exposure (including viruses and lifestyle factors such as tobacco and alcohol)
 - Developmental Therapeutics and Drug Discovery
 - New Approach Methodologies (NAMs) aimed at replacing traditional animal models
 - As part of the registration process, participants will be asked to select two themes to join for round-table discussions.
 - Abstract Submission Closed.
- **Compass Early-Career Leadership Development Program** | Compass is a remote NIH-funded training and mentoring program for early-career faculty seeking to build leadership and management skills in the research environment. [Details](#).

- The program offers practical strategies for team building, project management, mentoring, and research rigor.
 - **Summer** course runs **May 26-July 12** ([apply by April 26](#))
 - **Fall** course runs **August 31-November 8** ([apply by August 2](#))
 - Cost: \$2,000
-
- **CCTS Research Orientation Program (ROP)** | Get a high-level overview of implementing clinical studies in this one-session program, including key clinical, regulatory, and financial requirements – ideal for new investigators and research staff. **Thursday, May 28, 9 AM – 12:30 PM**. [Register](#) by May 22, 2026.

 - **OHRP free online human subjects research training program** in 5 lessons with completion certificates for NIH-funded human subjects research, investigators, and key personnel. [Link](#). **Expiration date: 11/30/2026**.
