All healthcare facilities* are to submit their cases in accordance with the LTR's Timely Data Reporting Policy. The submission dates shown above include a *one-month grace period*. *Timely reporting dictates admitted cases shall be reported to the LTR no later than the END of each reporting month.*

*Healthcare facilities without a cancer registry whose medical records cannot be remotely accessed by the Louisiana Tumor Registry shall be exempt from this policy due to state travel restrictions and related expenses.

All state vendors except CNExT have released their v26 software updates. State hospital CNExT registries will be unable to transmit 2025 cases to the LTR until CNExT releases their v26 update late September 2025. Thus hospital registries should submit their COMPLETED January-March 2025 cases no later than the end of October 2025.

Please notify your regional director/coordinator *immediately* should any submission issues arise. In accordance with the aforementioned policy, failure to meet this submission schedule will be *handled on a case-by-case basis* by your regional director/coordinator and *may result* in a \$45 per case abstraction fee or the actual cost of screening, abstracting, coding, and editing, whichever is greater levied by the LTR in agreement with the LTR's Legislative Rule (LAC 48:V. Chapter 85).
