All healthcare facilities* are to submit their cases in accordance with the LTR's Timely Data Reporting Policy. The submission dates shown above include a *one-month grace period*. *Timely reporting dictates admitted cases shall be reported to the LTR no later than the END of each reporting month.*

*Healthcare facilities without a cancer registry whose medical records cannot be remotely accessed by the Louisiana Tumor Registry shall be exempt from this policy due to state travel restrictions and related expenses.

[^]So far only **Metriq** has released their latest v26 software updates. Hospital registries utilizing all other vendors will be unable to transmit 2026 cases to the LTR until their vendors release their latest updates. Thus, hospital registries should submit their **COMPLETED January-March 2026 cases no later than the END of October 2026.**

Please notify your regional director/coordinator *immediately* should any submission issues arise. In accordance with the aforementioned policy, failure to meet this submission schedule will be *handled on a case-by-case basis* by your regional director/coordinator and *may result* in a \$45 per case abstraction fee or the actual cost of screening, abstracting, coding, and editing, whichever is greater levied by the LTR in agreement with the LTR's Legislative Rule (LAC 48:V. Chapter 85).
